INDEX TO PRINCIPAL CONTENTS OF VOLUME 160

Automation in Coloration 68
Auxiliaries, A Guide to New ... 619
Azoic Dyes 165
BASF Annual Report 13
Bleaching Cotton, Intermittently Continuous 62
Bleaching Processes for Cellulosic Textiles 533
Chemical Hazards in Textiles ... 245
Chemical Industry Finance 536
CIBA-GEIGY Annual Report ... 12, 157
Colour Matching, Computerised ... 11
Continuous Wool/Worsted Cloth Finishing 162
Disperse Dyes, pH Sensitivity ... 324
Dyes, New 15, 58, 105, 111, 163, 246, 271 323, 390, 449, 482, 534, 610
Dyehouse Energy Conservation ... 431
Dyeworks Recycling Research ... 22

Dyer's Library

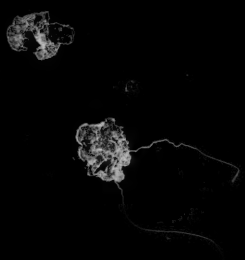
Chemistry of Dyes and Principles of Dyeing (Technology of Textile Processing Vol II), by V. A. Shenai 279
Chemistry of Textile Auxiliaries (Technology of Textile Processing Vol V), by V. A. Shenai ... 279
Geometrical Considerations and Nomenclature for Reflectance, by F. E. Nicodemus, J. C. Richard, J. J. Heia, I. W. Ginsberg and T. Limperis 80
History of Textile Design, 2nd Edition, by V. A. Shenai 279
Identification of Animal Fibres, by H. M. Appleyard 32
Technology of Bleaching (Technology of Textile Processing Vol III), by V. A. Shenai 279
Technology of Printing (Technology of Textile Processing Vol IV), by V. A. Shenai 279
Textile Fibres (Technology of Textile Processing Vol I) 2nd Edition, by V. A. Shenai 279
The Measurement of Appearance, by R. S. Hunter 277

"Easy-care" Linen Launched 56
Electrodry Demonstrated to Dyers ... 503
Energy Use in the Textile Industries 487
Expansion Programme at Jilling Ing Mills 537
Fibre Surface Properties 284
Finishing Liquors in 5asy-care Finishing 598
Flexographic Press for Bedsheet Widths 352
Future of the European Textile Industry 373
Garment Industry, Flexibility and Adaptability in 483
Industry, Education and Management 430
Liquid Ammonia Treatment of Cotton Fabrics 486
Low Liquor Processing, Experience with 108
Management Notes 112
New Era Beginning at Brookroyd Mills 395
New Shrink-resist Process 597
Oxidative Desizing 600
Oxidising Agents, Hazards and Precautions 482
Pigment Printing Wool Fabric ... 283
Preparation Processes at Low Liquor Ratio 107
Procilene PC Dyes 379
Protecting Textile Environments and Consumers 166
Research at Leeds 115
Sancowad Symposium 328
Sancowad Winch Dyeing: Sancowad CO 633
Sandoz Report 100
Stevens and Bailward, Dyers and Manufacturers in 1768-72 427
Sulphamic Acid and its Ammonium Salt as Catalysts for Pigment Prints ... 231
Textile Auxiliaries, New 18, 58, 246, 279, 390, 449, 534
Textile Finishing Conference, Edinburgh 106
Transfer Papers by the Vertical Roller Printing Process 332
Transfer Printing of Natural Fibres with Radio Frequency Heating 532
Transfer Printing of Resin Treated Cellulosic Materials 343
Transfer Printing Treatment 341
Warp Knitting and Dyeing, New Style 59
Wool Printing, Progress in 480

Machinery and Equipment

Appearance Measurement 564
Bleaching Range for Tubular Knitted Fabric 187
Carpet Finishes, Artos Ranges for ... 280
Combined Dyeing, Milling and Extracting Machine 402
Continuous Preparation and Bleaching 184
Controlling pH Levels 505
Deionisers, Fully Automatic ... 36
Dissolved Oxygen Probe 36
Drying Machinery, Italian 196
Drying, Radio Frequency 194
Dye Jig 204
Dyehouse Truck 508
Dyeing and Finishing Machinery Review 178-199
Dyeing Machines, Mezzera ... 195
Fabric Drying and Finishing ... 192
FEP Roll Covers Reduce Maintenance 558
Finishing Range, Multi-purpose ... 199
Fluorocarbon Solvent Scouring ... 186
Folding Machine Demonstrated ... 530
Horizontal Washer Reduces Steam Requirements 380
Inspection Line, Sheard 300
Ironing Machine 196
Jet Dyeing, ILMA 193
Jet Dyer, Texpro Soft Glider ... 191
Laminating Machine, New 293
Light Fastness Tester 559
Liquid Nitrogen Treatment Reduces Shrinkage 403
Mercerisation of Knitted and Woven Fabrics 250
Neutralising Range, Continuous, for Wool 195
New '300' Pegg-Jet 191
Open Width Washing 178

Overflow Machine, ATYC 193
Pad-steam Plant, Continuous, for Small Yardages 301
Pressurised Dyeing Machine, Fablo 190
Rain Simulation Equipment 250
Rope Washing Machine 540
Scouring and Milling 179
Scouring Unit, Continuous 402
Solvent Processing Tubular Fabrics 185
Steaming and Framing 194
Stenter Drying Efficiency 564
Stork Transfer Calender 345
Texpro Soft Glider Mini Jet ... 507
Textile Colour System, IBM Launches New 202
Tubular Knitted Fabric, Treatment Line for 196
Ultra-violet/Condensation Unit ... 504
Universa-Color—Economical Continuous Dyeing of Small Lots ... 435
Vacuum Transfer Printing Machine, Kleinewefers 348
Versatility in Dye Liquor Levels 190
Water Economy in Washing 187
Yarn Dye Elements 249

Patents, New


Bubbles in Discharge Printing (1,514,798) 125
Carpet Printing (1,501,081) ... 29
Carpet Printing Thickeners (1,519,115) 327
Continuous Dyeing in Solvent (1,531,034) 602
Continuous Random Dyeing Process (1,524,542) 498
Cutting Loop-pile Fabric (1,514,455) 121
Cutting Pile Fabrics by Laser (1,516,110) 238
Developing Azoic Dyes (1,512,547) 239
Discharge Prints (1,512,321) ... 118
Disperse Dyes Printed on Cellulose Fibres (1,511,810) 31
Drum Washing Machine (1,518,885) 242
Dye Spindles (1,525,147) 550
Dyeing Polyacrylonitriles (1,521,484) 295
Embossed Carpets (1,518,588) ... 299
Fabric Control (1,523,954) ... 389
Fabric Raising Machine (1,510,951) 28
High-pressure Steaming Apparatus (1,529,108) 603
Hydrogen Peroxide Bleach (1,524,568) 432
Knitgoods Finishing (1,523,727) ... 434
Laboratory Testing Apparatus (1,518,017) 240
Liquid Ammonia Fabric Treatment (1,525,879) 496
"Migration" Dyeing of Fabric in Rope Form (1,522,750) 325
Non-woven Pile Fabrics (1,520,144) 326
Non-woven Textiles Foam Impregnation (1,520,514) 294
Pressure Vessel Seal (1,501,229) 32
Reactive Dyeing Aftertreatment (1,524,911) 500
Reducing Agents (1,511,788) ... 200
Removal of Residual Ammonia from Fabric (1,528,409) 549
Sublimation Transfer Printing Calender (1,531,550) 606
Textile Machinery Seal (1,502,247) 29
Transfer Printing on Acetate Fabrics (1,521,867) 350
Transfer Printing Effects (1,527,507) 548
Tufted Carpet Backing Tension Control (1,524,291) 387
Two-sided Dyeings (1,522,539) ... 388
Wet Transfer Printing (1,524,841) 551
Winch Dyeing Machine, Improved (1,510,514) 76
Winch Machine (1,510,000) ... 75
